# REVOLUTIONIZE COMPUTING

**The Intel® Compute Card:
The future is smart.**

RETAIL
- Smart Mirror
- Security System
- POS System

HOME
- Smart Washer/Dryer
- Smart Refrigerator
- Smart Vehicle Infotainment

UNIVERSITY
- Digital Signage
- Intelligent Vending
- Smart TV

OFFICE
- Office Collaboration
- Interactive Whiteboard
- All-In-One Workstation

FACTORY
- HVAC/Air Quality System
- Robotics Automation
- Inventory Movement
- Fleet Tracking

IMAGINE

a tiny computer found in unexpected places across the city—making your daily life richer, more informed, and easier. That's the Intel® Compute Card. Revolutionary in size, form, and function, the Compute Card is driving the future of smart computing, turning your world into an enhanced, connected one.
